Great ideas for pretty spring pots

French fancy

Explore the imaginative topiary terraces of a Dordogne château

A WARM GLOW

This Italian-made hexagonal lantern is ideal for taking outdoors on summer evenings to provide pools of diffused light in the garden.

Made in metal with satin acrylic, it comes in white pearl or black and has a braided leather handle.

Available in three sizes: 25cm high (£490, mains or battery), 40cm high (£620, mains or battery) and 60cm high (£810, indoor use, mains only).

Available at Keir Townsend,
142 Old Brompton Road,
London SW7 4NR.

Tel 020 7746 2442.
