## WINTER BLOOMS

Colfax & Fowler contrasts its quintessentially British style with a range of winter fabrics - including wools, silks and woven checks, as well as wallpapers depicting marbling winter blooms. Celestine, £54 per roll. [colfax.com](http://colfax.com)

## ANGELIC STRIPES

French fashionista Jean Paul Gaultier's second fabric and paper collection is a riot of greens and colour. We love 'Maisonfleur', depicting a cherub clothed in its familiar striped sweater. £128 p/m. [liverox.com](http://liverox.com)

## CURIOSITY SHOP

Founded by interior designer Eyal Vitrach, L'Objet comprises beautifully crafted collections of sea-inspired home accessories. [l'objet.com](http://l'objet.com), from £99.

## NEW KID ON THE BLOCK

Launched to great acclaim at Chelsea's Design Week, TRADESCANT & SON is the new boutique label from design studio Richard History. Aimed primarily at interior designers, the collection features a range of nature-inspired illustrations including the quill pen for which Natural History's rooms. £15 p/m.
