Take three... Innovations in bathroom storage

Think outside the box with something distinctly different.

Above: The Neorest LE bathtub from Toto comes with illuminated surround and built-in storage. In white or black, it is available from Alternative Bathroom Company and priced from £21,173.

Above: New from Falper is Libreria, the latest incarnation of its iconic 'bathroom bookcase'. Made from solid oak and measuring 140cm-high x 90cm-wide x 35cm-deep, it costs £1807.

Above: Storage doesn't have to be straight-sided. The Modulnova Twenty range from DesignSpaceLondon includes this cut-away cupboard that wraps around the worktop, £1000.

Solve a small bathroom dilemma with the Bathroom Butler from Irina Townsend at Keir Townsend. Shown in a glossy painted wood with chrome detail, it can be made in a variety of materials and finishes. This 65cm-high x 65cm-wide x 35cm-deep version costs £1200.
