14. The Corolle Basin is expertly made by Atelier Alain Ellouz from a piece of precious alabaster marble, carved so thin it becomes translucent. The basin is illuminated from beneath, and a variety of different colour bulbs can be specified to give different moods. Basin £6,688. 0845 077 3280 www.atelier-alain-ellouz.com

15. Irina Townsend of Keir Townsend chose granite with fool's gold (iron pyrites) for this striking bespoke dining table, using the same stone as the worktops and splashback to link kitchen and dining areas. Table £5,750; stone countertop £2,000; splashback £2,500. 020 7746 2442 www.keirtownsend.com

16. If you desire a surface with the wow factor, then the Prexury collection from Cosentino fits the bill. Suitable for kitchens and bathrooms, these stunning surfaces are made from real semi-precious stones, petrified wood and unusual fossils. From £1,000 per square metre. 01256 761 229 www.cosentino.com

17. Rare Paraiba stone from South America is used to create this panelling from Porcelanosa's Heritage collection, which uses real semi-precious stones, marbles and granites to create panelling suitable for walls and floors. Slabs are 1000x1000mm, £1,392 per square metre. 0800 915 4000 www.porcelanosa.co.uk
